

EIPN
Early Intervention Provider Network

This is an opportunity to network across the state with other early intervention providers. You are invited to call a toll free number and listen to a 30-40 minute presentation on the subject. You can also ask questions if you would like to do so.

Please email Vanya Mabey at vmabey@utah.gov with any questions.

Topic: Medical Issues in Down Syndrome

Presenter: Dr. George Durham, pediatrician and father of a grown daughter with Down Syndrome

Date: **July 11, 2007**

Time: 12:30 pm

Call: Toll Free Dial In Number: **1 866 899 5399**

PARTICIPANT CODE: ***6083133*** (enter star before and after numbers)

Handout: Pediatric article on practice guidelines:

http://www.medhomeportal.org/diag/diagnosis.cfm?diag_id=2&menu_id=86 click on the phrase [Down Syndrome Guideline \(pdf 238kb\)](#) at the bottom of the first paragraph. Also check this one out http://www.medhomeportal.org/diag/diagnosis.cfm?diag_id=2

Dr. Durham has given the okay for parents to participate on this call if you would like to invite any.

If you would like to listen to previous calls, you can go to www.utahbabywatch.org and double click on "Agency Information" and click on "Early Intervention Provider Network" at the end of the Miscellaneous section at the bottom of the right hand column. The handouts and audio of all the conference calls will be there a week or two after the call.

Coming Attractions:

Behavior issues and how parents can help toddlers behave better
Medicaid waivers

What do you want to talk about? Please share with me what you would like to know more about. Email me vmabey@utah.gov or call or tell me on the call.

1.800.961.4226 or

1.801.584.8498

Thanks
