- Assessing PreTerm Infant's Behavior & Providing Individualized Developmental Care: Introduction to APIB & NIDCAP, Als
- Feeding the NICU Infant: Individualizing Support to Maximize Long Term Success, Ross
- Early Identification of Neurological abnormalities in the NICU infant

LOCATION:

44 Medical Drive Conference Rooms A-D

Video conferencing is available upon request to Janice Boswell 1.800.961.4226 or jboswell@utah.gov if request received before August 3, 2007

TIME:

9:00 to 3:00, lunch on your own 12:00-1:00

REGISTER:

There is no cost to attend but please email jboswell@utah.gov your name and at what video site you wish to attend.

Interested parties other than early intervention providers are welcome to attend.

PARKING AT 44 MEDICAL DRIVE:

Please car pool or use TRAX (\$3.00 round trip. For schedule see <http://rideuta.com/ridingUTA/schedules/routeSchedules.aspx?routeGroupID=0>) or park off site and walk.

Parking at 44 Med will be unavailable because of clinic clientele parking that day. Sorry for the inconvenience.

You could always requests a video site if that is easier.

Thank you.
